

# DANVILLE PARK GIRLS' HIGH SCHOOL

## Sports Results Week ending 5 August 2016

### **Basketball**

This past weekend the 1<sup>st</sup> Team played in the annual Val Fowler Tournament in Pietermaritzburg. This is the 25<sup>th</sup> year celebration of this tournament.

Danville played in the B section of the tournament and ended up winning their pool.

They played Wykeham Collegiate in the final and just lost by 2 baskets in a game that could have gone either way. The team came together and had an awesome tournament. They made Danville really proud. Congratulations girls.

### **Tennis**

On Saturday our top doubles couple, Jessica and Megan were invited to play in the Youngelson Shield Tennis tournament.

Playing conditions were perfect. Eight teams from the greater Durban area participated in this Tournament.

There were two rounds of tennis, with a first round consisting of a pool round robin.

Danville placed 3<sup>rd</sup> having beaten Durban Girls High 7 - 2, and also managed to take two games from a formidable Crawford la Lucia team.

The second round was a cross pool play-off, where we lost to Fatima, but won our final match against Durban Girls' High again.

Both players had an excellent morning of tennis, where Danville remains the top performing Government school. Well done ladies.
