

# DANVILLE PARK GIRLS' HIGH SCHOOL

## Sports Results Week ending 30 September 2016

### **Waterpolo**

From the 23 - 26 September the first team water polo played in the St Anne's water polo tournament in Hilton.

The improvement in the team was very noticeable and it was pleasing to see all the hard work pay off.

All the pool games were closely contested matches.

Danville ended 3rd in their pool, and made the play offs for 5th and 6th place.

The match against Thomas More was extremely close and a very exciting one that ended in a draw therefore penalties were taken and unfortunately we lost 3 – 2 on penalties.

Well done to the first team for some great water polo as well as your fight and determination in the water. A well-deserved 6th place out of 12 schools.

### **Athletics**

Last week Thursday a team of girls headed to Kings Park Athletics Stadium for the Sugar Relay that was re-introduced by Durban Girls' College.

Eight schools participated in this exciting event.

The Danville team ran extremely well, finishing third behind DGC and Epworth.

Thanks to our amazing cheerleaders and supporters for joining us on the evening and being so enthusiastic.

To the athletes who ran, well done on a great team performance.
